David Golightly used all his experience to only drop 2 penalties all day and was a clear winner on Index of Performance, well done.

Carla Smith put in a very consistent performance in the Ka to pick up the top Lady award and also the 1st Class B award from Gary Dixon who was a mere 2 penalties behind

The 'big' cars also scored well on the day with Adam Mortimer and Oliver Cowling carefully using all the available space to climb the tests and taking Class B honours Adam picking up 1st in class by one penalty point from Oliver.

Emma Flowers didn't win the Ladies prize but beating Lawrence by some margin was a great performance first time out on a car trial.

We hope you all enjoyed the day and the weather, special thanks to Jonathan Fenwick for use of the venue and to Jane and Graham for marshaling .

We hope to put on another PCT later in the year, check out our website Events page on www.grimsbymotorclub.co.uk where the date should appear eventually.
